

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 20 February 1963

- 25X1 1. [] Talked with Representative Clement J. Zablocki who had inquired if we had any thoughts on why the Polish Ambassador to the U. S. wished to see Zablocki this week prior to the Ambassador's return to Poland. After checking within the Agency, I indicated to Zablocki that possibly the request related to the recent trade agreement which was signed relating to P. L. 480 and the probable developments later in the year pertaining to restoration of most favored nation treatment for Poland. Zablocki agreed that this was probably it and thanked us.
- 25X1 2. [] Representative Silvio O. Conte telephoned asking if we would arrange an interview for a [] who to him 25X1 appeared to have excellent qualifications in that she had linguistic qualities and prior experience in Government. An interview was arranged.
- 25X1 3. [] James Cannon on the staff of Foreign Operations and Government Information Subcommittee of House Government Operations Committee telephoned asking if there were any information on the Agency which they could have in order to begin acquainting themselves with their new responsibilities in the field of operations. I said, of course, we would be glad to cooperate and I intend to make available to him the standard unclassified statement relating to the Agency and its functions.
- 25X1 4. [] Mrs. Goodell, in the office of Representative Donald Rumsfeld (R., Ill.), called and asked for a telephone number on which Mr. Dulles could be reached. After checking with Mr. Dulles' Washington office, Mrs. Goodell was given that number. She did not 25X1 indicate the reason for the Congressman's desire to reach Mr. Dulles.
